

LECTURE

# Materials and Packaging

## Materials for Packaging: applications and case studies

Introductions:  
Prof. Ing. Gianluca Cicala

Lecturer:  
Prof. Giovanni Filippone  
*Università degli Studi  
di Napoli Federico II*

**27 May 2022 – h 9:30-10:30 , room P6 (Polifunzionale) and on Teams**  
**Course of Materials Science and Technology (LM-22)**

Lecture open to students in:  
Chemical Engineering for Industrial Sustainability (LM-22)  
Mechanical Engineering (LM-33)
